1 did it.

3 Q. So you did ask all the Lexington County
4 district magistrate courts to do this inventory?

5 A. Yes.

6 Q. Ed Lewis also notes in his email that you
7 would provide the inventory data to the Lexington
8 County Council sometime between August and
9 September.

10 Did you meet with the Lexington County
11 Council in August or September of 2017?

12 A. No. I can't recall, but at first we were
13 told that we had to get our county council's
14 approval to do the Setoff Debt, we had to get their
15 input and then we were told that we didn't. And so
16 I honestly don't remember if I went to that meeting
17 or if Ed went to that meeting or if we both went to
18 that meeting.

19 I know later we found out that wasn't
20 something they had to approve, that we could do it
21 on our own. In the beginning we thought that they
22 had to approve us doing it. That's why we were
23 gathering the information to present to the council.

24 Q. Can you repeat, Judge Adams, I'm sorry,
25 when did you go before the Lexington County Council?
